1. The contents of the third edition of this publication met with general approval here except for Item #4.

2. It was felt that this item was one which no legitimate Communist dissident newspaper would think of using because of the risk of uncovering sympathizers, and that it, therefore, detracted considerably from the over-all effect intended for the publication.

This document is part of an integrated file. It is separated from the file in order to be subjected to individual systematic review.
